

MATRIX Panels – LLDPE Coloured Sheets

Design Flow manufactures LLDPE virgin rotomoulding grade flat sheets 2440 x 1220mm from 7mm to 19mm thick in the standard colours shown below. We do our best to ensure consistency in the colours of our flat sheets, but colour may vary slightly from batch to batch. Coloured sheets are available with either gloss or textured surface finish on both sides (specify when ordering).

All colours are UV stabilised & suitable for long term outdoor use.

Virgin coloured LLDPE sheets are suitable for direct contact with potable water or food.

Material Data Sheets can be supplied on request.

These sheets are suitable for CNC machining and welding. We provide 2D CAD and CNC machining in-house services on our MATRIX Panels.

Design Flow reserves the right to change the specifications or colours without notice.
